Objective

Display business experience and previous companies worked with in order to be considered for tile installation.

Qualifications

Our company has been installing ceramic tile, marble, and granite since 1999. We have successfully completed contracts for RR Rehab and Construction, Foulger-Pratt, Patner Construction and subcontracts for labor designed for companies such as Bovis Lend Lease, and Foulger-Pratt.

Relevant Experience

For RR Rehab and Construction:

2006-Present Vaughn at Mclean Place: As the contractor: Installed 12x12 ceramic tiles in the Townhouse entries and Terrace entries. At the High-rise: Installed 12x12 ceramic tile in kitchen floors, bathroom floors, and 6x6 ceramic tile in bathroom and shower walls in batch 3.5 through 5.
The Brittany: As the contractor, installed 24x24, 4.5x24, Ceramic Tile Pattern on Lobby Floor.

For Patner: **Remax Office Building:** As the contractor, installed 14x14 Ceramic tiles on bathroom floors and walls.

For Bovis Lend Lease:

2005 Georgetown Performing Art Center: As a subcontractor: Installed ceramic tile in bathroom and on shower walls, bathroom and shower floors with different tile designs.

2004-2005 400 Mass. Ave: As a subcontractor: Installed granite in elevators and elevator entrance on 12th and 13th floors.

For Foulger Pratt:

2005 Bullis High School Stadium: As the contractor: Installed ceramic tile in bathroom floors and ceramic tile in shower walls.

2003-2004 Harbor Point: East and West Buildings: As a subcontractor: Installed ceramic tile and marble on kitchen floor, bathroom floor and wall. Installed marble on elevators and elevator lobby.

2003-2004 Silver Spring Metro Center: As a subcontractor: Installed ceramic tile on kitchen floor, bathroom floor, tub wall. Installed 4 colors of 24x24 and 12x12 ceramic tile designed on lobby Floor.
